

# EDITORIAL CALENDAR 2015

More than 3,200 copies distributed BIMONTHLY in Mexico, Guatemala, El Salvador, Honduras, Costa Rica, Panama, and Dominican Republic

ISSUE	FOCUS Peer-Reviewed Technical Notes	TOPICS						SHOWS				
		Formulation/ Drug Delivery	API Synthesis & Manufacturing	Troubleshooting	Technical Q&A	QA/QC		Regulation/ Compliance	Business/ Market Focus	Departments	Special Sections	
<b>JANUARY – FEBRUARY 2015</b> Ad Close: December 11, 2014  Distribution: January	<b>Bioavailability Enhancements/ Solubilization Strategies</b> and/or <b>Quality by Design (QbD) for Parenteral Drugs</b>	High Potency Drug Formulation and/or Specialty Dosage Forms	Fluorination Chemistry in API Manufacturing and/or Heterocyclic Chemistry in API Manufacturing	Aseptic Process- ing/Sterile Manufacturing and/or Equipment Design and Operation	Continuous Solid Dosage Manufac- turing and/or The Future of Per- sonalized Medicine	Quality Systems/A Global Perspective and/or Implementing Corrective and Preventive Action (CAPA)	<b>Packaging Forum</b>	US Regulatory Watch  European Regulatory Watch  Inside Standards FDA Q&A	Outsourcing Outlook  Global Market Report: South America	• Industry Q&A • Pharma Q&A • Ask the Expert	<b>Analytical and Bioanalytical Testing</b>	
<b>MARCH - APRIL</b> Ad Close: February 12  Distribution: March	<b>Excipients for Emerging Dosage Forms</b> and/or <b>Single-Use Technologies</b>	Specialty Dos- age Formulation/ Delivery and/or Formulation Challenges for Biologics	Custom Manufac- turing Outlook and / or API Review and Outlook	Aseptic Process- ing/Sterile Manufacturing and /or Solid Dosage	Extractables and Leachables Testing	Statistical Solutions and / or Executive Insights: Managing Quality	<b>Packaging Forum</b> Solid Dosage Packaging	• US Regulatory Watch • European Regulatory Watch • Inside Standards and / or • GMP Enforcement Report	Outsourcing Outlook  Global Market Report	Pharma Q&A and / or Ask the Expert		<b>EXPOFARMA</b> 15-17 APRIL WTC, Mexico City (To confirm)  <b>INTERPHEX USA</b> 21-23 APRIL New York, NY (To confirm)
<b>ANNUAL BUYERS GUIDE 2015</b> Ad Close: February 12, 2015  Distribution: April 2015	The global resource for suppliers of chemicals, raw materials, intermediates and excipients; equipment and supplies for manufacturing, packaging, and cleanrooms; laboratory equipment; and contract services. As well as all the important regulatory and standards-setting agencies, trade and relevant government organizations. This guide is a complete index of equipment and service providers.											<b>EXPOFARMA</b> 15-17 APRIL WTC, Mexico City (To confirm)  <b>EXPO PACK</b> 16-19 JUNE CENTRO BANAMEX, Mexico City
<b>MAY - JUNE</b> Ad Close: April 16  Distribution: May	<b>Analytical Testing and Instruments</b> and / or <b>Lyophilization Process Design</b>	Semi-solid Dosage Forms and / or Particle Engi- neering/Nano- medicine	High-Potency Manufacturing and / or Chiral Chemistry	Biopharmaceutical Manufacturing and/or Solid Dosage	Visual Inspection Techniques and /or <b>Special Report</b> Elemental Impurities	Product Quality: Biologics and/or Investigations/Root Causes	<b>Facilities Design/ Operations</b> GMP Considerations in Room Design and / or <b>Supply Chain/Logistics</b> Cold Chain	• US Regulatory Watch • European Regulatory Watch • Inside Standards and / or • FDA Report	Outsourcing Outlook  Global Market Report	Pharma Q&A and / or Ask the Expert	<b>Solid Dosage and Excipients</b>	<b>EXPO PACK</b> 15-17 JUNE CENTRO BANAMEX, Mexico City  <b>ACHEMA:</b> 15-19 JUNE Frankfurt am Main , Frankfurt, Germany
<b>JULY - AUGUST</b> Ad Close: June 11  Distribution: July	<b>API Development and Manufacturing</b> and / or <b>Manufacturing Scale-Up Strategies</b>	Transdermal Drug Delivery and / or Controlled Release	Polymorphism and Crystallization plus DCAT Roundup and / or Global API Supply Chain	Equipment Design and Operation and / or Solid Dosage	Analytical Testing for Biologics and / or Data Management in Manufacturing	Biologics Raw Materials and / or Process Validation	<b>Packaging Forum</b> Parenterals Packaging and / or <b>Supply Chain/Logistics</b> Serialization	• US Regulatory Watch • European Regulatory Watch • Inside Standards and / or • FDA Report	Outsourcing Outlook  Global Market Report	Pharma Q&A and / or Ask the Expert	<b>Bioprocessing &amp; Sterile Manufacturing</b>	
<b>SEPTEMBER - OCTOBER</b> Ad Close: August 13  Distribution: September	<b>Trends in Biopharmaceutical Manufacturing</b> and / or <b>Bioavailability/Solubilization Challenges</b>	Orally Inhaled and Nasal Drug Products and / or GI Targeting	Process Intensifi- cation/ Continuous Flow Manufac- turing and / or Hazardous Reagent Chemistry	Aseptic Process- ing/Sterile Manufacturing and / or Biopharmaceutical Manufacturing	Process Analytical Technology and / or Equipment Cleaning	Statistical Solutions and / or Operational Excellence	<b>Facilities Design/ Operations</b> Clean Zone Definitions and / or <b>Packaging Forum</b> Solid Dosage Packaging	• US Regulatory Watch • European Regulatory Watch • Inside Standards and / or • FDA Report	Outsourcing Outlook  Global Market Report	Pharma Q&A and / or Ask the Expert		<b>PACK EXPO</b> 28-30 SEPTEMBER Las Vegas Con- vention Center, Las Vegas, NV.
<b>NOVEMBER - DECEMBER &amp; Wall Calendar 2016</b> Ad Close: October 14  Distribution: November-December	<b>Quality by Design for Solid Dosage Manufacturing</b> and / or <b>Equipment and Manufacturing Trends</b>	Taste-masking and / or High Potency Drug Formulation	Biopharmaceutical Manufacturing and / or Low Temperature Chemistry	Aseptic Process- ing/Sterile Manufacturing and / or Equipment Design and Operation	Modular/Flexible Manufacturing and / or Lean Manufacturing	Risk Assessment and Mitigation and / or Quality Metrics	<b>Facilities Design/ Operations</b> Room declassification in biopharma facility and / or <b>Supply Chain/Logistics</b> Shipping Services	• US Regulatory Watch • European Regulatory Watch • Inside Standards and / or • FDA Report	Outsourcing Outlook  Global Market Report	Pharma Q&A and / or Ask the Expert	<b>CPH/ICSE: APIs, Excipients, and Manufacturing</b>	<b>CPhI India</b> Bombay Exhibition Centre - Goregaon, Mumbai, India (To confirm)
<b>JANUARY – FEBRUARY 2016</b> Ad Close: December 11, 2015  Distribution: January	<b>Large vs. Small Volume Parenteral Manufacturing</b> and / or <b>Drug Reformulation Strategies</b>	Specialty Dosage Forms and / or Antibody Drug Conjugates	Fluorination Chemistry in API Manufacturing and / or Heterocyclic Chemistry in API Manufacturing	Solid Dosage and / or Equipment Design and Operation	Continuous Solid Dosage Manufac- turing and / or Process Controls	Implementing Co- rrective and Preven- tive Action (CAPA) and / or Critical Quality Attributes	<b>Supply Chain/Logis- tics</b> Track and Trace and / or <b>Packaging Forum</b> Parenterals Packaging	• US Regulatory Watch • European Regulatory Watch • Inside Standards and / or • FDA Report	Outsourcing Outlook  Global Market Report	Pharma Q&A and / or Ask the Expert	<b>Drug Development Application</b>	
<b>ANNUAL BUYERS GUIDE 2016</b> Ad Close: February 11, 2016  Distribution: April 2016	The global resource for suppliers of chemicals, raw materials, intermediates and excipients; equipment and supplies for manufacturing, packaging, and cleanrooms; laboratory equipment; and contract services. As well as all the important regulatory and standards-setting agencies, trade and relevant government organizations.
